# MERRY Christmas

from all of us at SWARK.Today

'Tis the season to spread Christmas cheer and we are happy to present a collection of letters to Santa from some of the children in our community. We hope that you enjoy reading these as much as we did, because not only are they adorable, but honest as well! Inside this special edition you will find over 100 letters, tons of activities for your children to enjoy and Christmas greetings from several of our local businesses. Be sure to thank these local businesses, because without

them, this special edition would not have been possible! We are looking forward to 2023 and can't wait to share more projects like this with you next year. May you all have a Merry Christmas and a Happy New Years!
